Find reusable images using Advanced Image Search

If you're looking for reusable images, use the

Advanced Image Search page. In addition to images labeled as being under the Creative Commons license or in the public domain, the usage rights filter on this page also shows you images labeled with the GNU Free Documentation license.

In the Usage Rights drop-down, select one of the following options:

- **Labeled for reuse**
Your results will only include images labeled with a license that allows you to copy and/or modify the image in ways specified in the license.
- **Labeled for commercial reuse**
Your results will only include images labeled with a license that allows you to copy the image for commercial purposes, in ways specified in the license.
- **Labeled for reuse with modification**
Your results will only include images labeled with a license that allows you to copy and modify the image in ways specified in the license.
- **Labeled for commercial reuse with modification**
Your results will only include images labeled with a license that allows you to copy the image for commercial purposes *and* modify it in ways specified in the license.
